

PERFECT FIT FOR YOUR CLEARANCE LIMITATIONS

Whether your equipment is indoor or outdoor, we can fit within different clearance limitations. Our professional team and specialized equipment allows us to maneuver around obstacles while keeping your equipment safe.

SPECIALIZED TRANSPORT

With hundreds of heavy-duty power units and specialized trailers, Guardian Fleet Services® has the broadest fleet of specialized tractors and trailers in the United States.

Our trailers have ground-loading capabilities from 20 to 85 tons and gross combination weights from 80,000 lbs. to 254,000 lbs., ensuring that Guardian Fleet Services is your solution to over-dimensional and out-of-gauge equipment and products.

WE CAN MOVE IT ALL

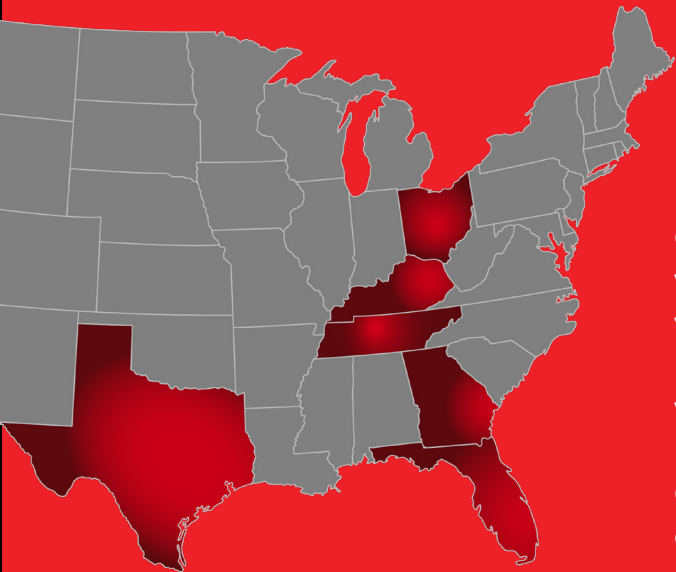

Vehicles, machinery, engines, generators – you name it, and we'll get it to your destination, when and where you need it. Let the trained professionals at Guardian Fleet Services take the stress out of your vehicle and equipment-related transportation.

Our fleet is capable, but not limited to transporting the following:

- Heavy Equipment
- Over Dimensional Load
- Construction & Agricultural Equipment
- Aircraft
- Generators
- Wind Turbines
- Oil & Gas Production Modules
- Mining Equipment
- Chillers & Rotors
- Pressure & Ethanol Vessels
- Storage Tanks
- AND MORE...

GUARDIAN FLEET SERVICES  **GUARDIAN OF THE HIGHWAYS®**

WE CAN GO THE DISTANCE

Our diverse fleet of transportation equipment can handle virtually any type of heavy equipment - whether it is in working condition or not. We are ICC and MCC authorized, nationwide and we are licensed and insured to transport vehicles or equipment across North America.

Guardian Fleet Services® is a U.S. Customs-bonded carrier and can trans-load overseas shipments from any port in the nation.

TOWING SERVICES

LARGEST TOWING, RECOVERY, AND SPECIALIZED TRANSPORTATION FLEET IN THE UNITED STATES

**THE SOLUTION TO ALL YOUR TOWING,
RECOVERY, AND SPECIALIZED
TRANSPORTATION NEEDS**

Headquartered in West Palm Beach, FL, Guardian Fleet Services® provides superior towing, recovery, and specialized transportation services to municipal, state, and federal agencies, and commercial enterprises and is the largest provider of towing, recovery, and specialized transportation in the United States.

Guardian Fleet Services was formed in 2017 as a consolidator of fragmented towing, recovery, and specialized transportation companies in Florida. Today, Guardian Fleet Services consists of over 45 locations strategically located throughout Florida, Georgia, Kentucky, Texas, Tennessee, and Ohio. The affiliated companies have 300+ years of combined experience, over 1000 employees, and more than 1000 assets in their specialized towing and transportation fleet.

HEAVY - DUTY TOWING

Guardian Fleet Services is the largest heavy-duty and commercial towing and recovery service provider in the United States and one of the three largest heavy-duty service providers in the nation.

Our team is equipped with hundreds of heavy-duty units and rotators from 25-100 tons, allowing us to handle even the most complex and challenging towing jobs with ease. We understand that time is of the essence when it comes to heavy-duty towing, which is why we offer 24/7 emergency services to ensure that you get the help you need when you need it most.

All vehicles are GPS- and video camera-equipped and operated by the nation's most competent and qualified personnel.

LIGHT - DUTY TOWING

With a fleet consisting of hundreds of light- and medium-duty trucks, we offer a wide range of services to help you get back on the road safely and quickly. Our services include tire changes, jump starts, accident recovery, lockouts, and on-property vehicle relocation.

Our team of experienced professionals is available 24/7 to assist you with any towing needs you may have. We understand that vehicle issues can be stressful and inconvenient, which is why we strive to provide prompt and efficient service to all of our customers.

RECOVERY

From a simple winch out to an overturned tractor and trailer – and anything in between – our teams are equipped for any situation, 24 hours a day, 7 days a week. Our mission is to respond to a scene big or small with the necessary equipment for complete scene restoration.

Our state-of-the-art wreckers are fully stocked with rigging to perform any recovery, including web straps and chains to spreader bars. Our operators are highly skilled and well trained in all aspects of vehicle recovery.

We continually invest in our operator's education and training to assure our operators are the best they can be and ensure our customers are in good hands when we arrive on the scene.

TOWING MANAGEMENT

Guardian Fleet Services® companies have provided quality towing, recovery, and municipal transportation since 1954.

Recognized as one of the nation's premier service providers to municipal, state and federal agencies, Guardian Fleet Services' dispatch centers and personnel provide 24/7 service. All dispatch facilities have redundant communications abilities that ensure service to customers regardless of weather conditions.

Guardian Fleet Services provides nationwide dispatch and tow management solutions to some of the nation's largest commercial enterprises and utilities.

STORAGE

Our locations are strategically placed throughout the United States. Each location is adequately sized to accommodate any number and type of equipment that we operate and store.

Whether it's several tractors and trailers, large commercial vehicles involved in an accident, impounded vehicles or vessels, recreational vehicles, and law-enforced held vehicles (indoor or outdoor), we can store your vehicles and equipment.

Our storage locations can provide a safe and secure parking situation for private vendors as well as the ability to offer space to recreate accident scenes for investigation purposes.

Our locations offer secure, fenced lots monitored by high-resolution video surveillance systems.
